Select the Composite Risk Management Course

The screenshot shows the Combat Readiness University website. At the top, there is a banner with the text "Combat Readiness University" and the tagline "Educating the Force to Own the Edge". Below the banner is a navigation bar with the text "My Courses | Composite Risk Management (CRM) Courses". On the left side, there is a vertical menu with the following items: Welcome, My Catalog, My Courses (highlighted), My Certificates, My Skills Assessments, My Development Plan, My Reports, My Profile, and Logout. On the right side, there are buttons for "Explore" and "List". Below the navigation bar, there is a section titled "Expand All Collapse All". Under this section, there are two links: "Composite Risk Management (CRM) Course" and "CRM Basic Course (Beta)". A red arrow points from a yellow box containing the text "Click Here" to the "Composite Risk Management (CRM) Course" link.

Composite Risk Management (CRM) Course Course

- ▶ **Course Description:**
- ▶ **End of Course (EOC) Exam Instructions:** This is an "open book" exam. You may leave the exam portion of the course and come back by pressing the Continue Later Button. In the exam you will be presented with 18 questions. You must answer 18 questions correctly to receive a passing score of 70%. If you do not pass the exam, you will have the opportunity to take the exam after reviewing appropriate material. When you have finished and successfully complete the exam, you will be directed back to this page. When you pass the exam the Course Critique link will be available on the left sidebar.
- ▶ **Course Critique Instructions:** The purpose of the critique is to provide feedback for continuous improvement of the Composite Risk Management (CRM) Course. Please answer all questions presented and provide responses to open-ended questions. Your evaluation is held strictly confidential.
- ▶ **Course Completion:** When you have successfully completed the exam and critique, you will be able to download your certificate of completion.
- ▶ **NOTE:** You will not be able to print a certificate unless you have passed the exam and also completed the critique.

Follow the Course Instructions

Welcome

You are about to take the Introduction to Composite Risk Management course. This course will take approximately 2 hours to complete.

If you are unfamiliar with the design and navigation of this course, click "Course Navigation" to view a short tutorial.

To begin the course, click "Launch the Introduction to Composite Risk Management course".

If you are returning to this course to work further on it or to review it, click "Continue the Introduction to Composite Risk Management course".
